National Deaf Culture Fellowship
Assemblies of God

Dear NF Members,

Ecclesiastes 4:9 declares that it is better when we are connected together because we not only help one another, but we just get more done. The member directory is an easy way for us all to stay connected.

Technology continues to evolve so that we can contact one another quickly by VP, email, and stay updated with NF news through the www.nfdeaf.com website. However, none of these tools can take the place of getting together. I encourage you to do just that at every opportunity; local, regional, and national conferences.

Share your life with one another, and encourage one another in the most holy faith. "A cord of three strands is not easily broken."

In Christ,

Rev. Belinda McClees
